Celebrating 10 Years!

## 2<sup>nd</sup> Generation Dinner & Auction

2<sup>nd</sup> Generation is a local Non-Profit group started in 2008 by members of our community. With a goal to reward and encourage young members of 4-H, FFA and Grange programs in Amador County. Our annual dinner and auction helps aide the financial burden of raising an animal and helps to ensure a bright agricultural future for today's youth and generations to come. In 2016 2<sup>nd</sup> Generation was able to distribute funds to all kids that participated and sold animals at the Jr. Livestock auction.

Amador County youth benefits from this organization and your generous donations. While attending meetings and community events they gain valuable skills and life lessons that will carry through their lives, instilling good work ethics foundations as of our future farmers, leaders, teachers or whatever career they choose. The hard work and dedication of the agricultural experience will remain with them for years to come. With your support you are investing in today's generation who will in turn pass on to future generations.

Every year and with your continued support we are able to help more of our youth. All donations big and small are tax deductible. Please join your community by supporting our youth and helping to strengthen the build the foundation of our community.

In 2016 2<sup>nd</sup> Generation was able to distribute funds to all kids that participated and sold animals at the Jr. Livestock auction.

We invite and encourage everyone to come out and see first-hand the rewards of your donations by attending the 10<sup>th</sup> annual 2<sup>nd</sup> Generation dinner and auction being held at the Amador County Fairgrounds on Saturday, June 24<sup>th</sup>, 2017.
