

2nd Generation Dinner
4400 Buena Vista Rd.
Lone, CA 95640

April 1st, 2018

WHO WE ARE

2nd Generation was formed in 2008 by a group of individuals who have a passion for agriculture and the values this type of lifestyle has taught them, Values that will forever be instilled within them and that have formed the foundation of hard work and dedication. The mission is to pass these values on to the future generations. Building stepping stones and learning ethics that will forever help our youth. Becoming outstanding and contributing citizens wherever their ambitions will take them.

WHAT WE DO

2nd generation holds an annual fundraising event the fourth weekend in June. The funds that we raise at this event are given back to the children to help aid with the costs of participating in these programs. Raising livestock for sale doesn't happen overnight it take months of hard work and dedication. Being accountable and dedicated for months to prepare for this can be costly. All children benefit with these funds as an added stiffen to not only help offset their costs but to reward them for a job well done, along with encouraging them to stay focused on learning valuable life lessons.

OUR EVENT

Is held annually the fourth weekend in June at the heart of our cause the Amador County Fairgrounds in Plymouth, CA. This event has become a must attend event for families and friends! The children that benefit from our efforts are there to help and meet first hand our generous donors and supporters. We encourage you to join us and see firsthand how much your donations are greatly appreciated.

HOW YOU CAN HELP

No donation is too BIG or too small! We offer a \$2 Raffle, and both live and silent auctions. Every donation is tax deductible. Why not promote your business and contribute to our next generation at the same time?
